- Others

Special Thanks To

- ## The Local Host – Telekom Austria

  - A network that's good enough not to notice!

- ## The Secretariat Staff
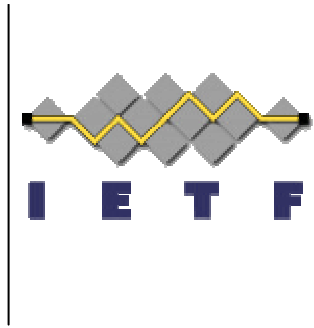

- ## The Local Host's Staff

Future meetings

- Fall IETF 2003: Minneapolis again
  - November 9-14
  - Hostless meeting – we do it ourselves again
- Spring IETF 2004: Seoul, Korea
  - February 28-March 5
  - Host: SAMSUNG, organizer: KIEF
- Summer IETF: Back in the US, probably...

# Some things that have happened recently

Recent Standards Actions

- RFC 3489-3572 (nearly a hundred)
- Diameter (AAA)
- MANET routing protocols (experimental)
- IPv6 Addressing Architecture revision
- IMAPv4 revision
- LDAPv2 to Historic
- Standards work is getting done.
- Maintenance is getting done.

Talk to us!

- The IETF is YOUR show.
- The open mike is for YOU to tell US what to do
- Welcome to the IETF!
